The Future of Work: Sustainable Career Pathways in Montgomery County

Wednesday, October 29| 8:30- 11:00 a.m. |Universities at Shady Grove

Join Us as a Speaker and Sponsor

About the Event

This data-driven, solutions-based event will bring together up to 160 attendees for a half-day program, providing valuable insights on career transitions, upskilling, resource alignment, and networking for Montgomery County residents. Our program will present dashboards with current data on what employers are looking for and highlight local opportunities in health and life sciences, engineering, technology, and business.

Why Partner with Us?

As a speaker and sponsor, you will:

- Be recognized as a leader in supporting Montgomery County's workforce
- Gain direct access to potential employees and top talent in the region
- Contribute to empowering our community by providing valuable insights and resources

Your Impact

By partnering with us, you will empower our community by:

- Providing career development opportunities
- Showcasing your organization's commitment to the local workforce
- Joining a network of leading organizations dedicated to driving positive change

Join the Conversation

Be part of our esteemed panel of speakers and sponsors, including:

- Universities at Shady Grove faculty
- Executive Director from Worksource Montgomery
- Industry leaders from top companies

Your support will help us make this event accessible to the community. In return, you'll receive recognition and benefits that will help you reach mid-career professionals and students.

Let's Empower Montgomery County Together
