

REAL ESTATE UPDATE annual expo

Join us for the 2024 Annual Real Estate Update

The Real Estate Committee is a group of real estate related members of the Chamber or those with an interest in real estate, investment, planning, development and design. The committee meets monthly in the Chamber Boardroom where we hear from industry experts and review presentations about proposed development in the Greater Bethesda region. Our main focus is the many issues that affect commercial, residential and retail development in our area.

At the expo, you will also be able to:

- Share valuable information with the attendees
- Visit exhibits and see what our members have to offer
