6PM | TUESDAY, MARCH 28, 2017

Independently filmed over the course of two years, GENERATION FOUND takes an unprecedented and intimate look at how a system of treatment centers, sober high schools, alternative peer groups, and collegiate recovery programs can exist in concert to intervene early and provide a real and tested long-term alternative to the “War on Drugs.” It is not only a deeply personal story, but one with real-world utility for communities struggling with addiction worldwide.
