PREJUDICE OFTEN COMES FROM A LACK OF KNOWLEDGE AND FAMILIARITY.

Student to Student®'s goal is to reduce stereotypes and prejudice in the students that it reaches.

WHAT IS STUDENT TO STUDENT®?

Student to Student® is a national program where Jewish teens engage with their non-Jewish peers and teach them about Judaism. In the fall, participants are trained to share their personal stories and how to respond to questions about Jewish identity, culture, and religious practices before presenting at area schools in the spring. Student to Student® participants will learn valuable leadership and public speaking skills.

Wednesdays Fall 2023 | 6:30 - 8PM | Fee - \$90

“ I loved the opportunity to educate my peers and to advocate for the Jewish Community. ”

“ It was an exciting experience to teach others about my culture and for me to learn about different traditions in the same religion. I truly enjoyed the teaching experience and connecting to other Jews my age. ”
