On Sunday, April 15, 2018; Faith/Fe Presbyterian Church (Lockhart) will host Convención. This is a yearly event in which the Hispanic/Latino Congregations from Central Texas gather to worship, learn, break bread and celebrate our Hispanic heritage as members of the PCUSA. Our church host this event every five years and we are excited that it is that time again.

This Convención will be attended by over 250 people from our neighboring communities. We are having a breakfast during our registration, and after the service we will be providing a barbeque lunch.

The Hispanic Churches that will be attending, El Buen Pastor, Austin, First Presbyterian, New Barunfels, Memorial, San Marcos, Everlasting Hope, Taylor.

Faith Fe PC will also have a Service of Dedication for the property recently purchased, where the future home of Agape Faith Community Center will be located. We have invited the civic authorities and business community to join us on that special day.
