

Adopt-A-Class Aid Donor Form

*The educator members of SCRAPCE and member churches in the Synod of the Sun are reaching out to help churches affected by the hurricane and floods to refurbish and restock their Sunday school classes. Sunday School classes within the Synod of the Sun are encouraged to **Adopt-a-Class** through donations to assist in rebuilding those classrooms.*

*Each class in need will receive a grant of up to **\$1,000** donated by participating churches to help churches rebuild their educational ministry programs post-disaster. Donations are intended for resupplying the classroom not for reconstruction costs.*

A class in need will be matched with a church class or classes who wish to help. It is our sincere hope that relationships will be built between the churches in need and the churches reaching out to help. Emails, videos, phone conversations between churches are encouraged.

Donations may be of ANY SIZE and classes may combine their efforts to ADOPT one class in need. All donations will go to a SCRAPCE account held at the Texas Presbyterian Foundation and grants will be dispersed through TPF. PLEASE SEND ONLY ONE CHECK PER CHURCH.
