

Beauty and the Beast Update

Dear *Beauty and the Beast* cast, crew, family, supporters, and ticket holders,

It is with a heavy heart that we share our production scheduled for this Thursday, Friday and Saturday (May 12, 13 and 14) unfortunately must be postponed due to an outbreak of COVID within the cast and crew over the last 48 hours. We believe the safety and health of everyone involved, including the audience, must come first and for that we have made this very difficult decision. The cast and crew have been working day and night for you to "be our guest" and we certainly hope you will come at a later date to be determined by leaders of the Dilworth Players and Dilworth United Methodist Church.

The talent, dedication and resiliency of this group has been incredible and continues to inspire us to offer this ministry to our neighbors and community. Please know how much your support means to everyone involved and while we do believe the show must go on, it must be done in a safe and healthy environment. If the last 2 years have taught us anything, it is to be flexible and be prepared for bumps in the road.

We will hold your ticket payment until we release the future date and will refund your payment if you are unable to attend. Please reach out with any questions or if you would like to support the production in any way.

Thank you for your love and support of the Dilworth Players.
