It is with deep regret that I must write to inform you that the Tri-Power Nationals have been cancelled for June 31st-August 2nd, 2020 with no anticipated rescheduling of the event for the remainder of the calendar year.

Due to the ongoing pandemic of COVID-19 and the strict mandates implemented on both the state and federal levels, the Summit Motorsports Park in Norwalk, Ohio will not be able to adequately furnish the event for reasons pertaining to "social distancing" requirements. It is for these reasons that the event has been superseded by the 2021 national event in an effort to provide everyone with the most enjoyable experience possible.

Myself and our team at Ames Performance in conjunction with the monumental support of Pete and Andy Woodruff from Super Duty Promotions and Mr. Bill Bader, owner of Summit Motorsports Park have always made great efforts to ensure enthusiasts feel welcomed at what can be considered the nation's largest and greatest all Pontiac event. We appreciate everyone's support and participation throughout the years and certainly look forward to providing an exceptional event in 2021 to all attendees.

The 2021 dates will be posted on our website www.amesperf.com as well as Super Duty Promotions web page when available www.pontiacnationals.com.

Sincerely,
Kevin Beal
