

The Coding School *presents*

WEB CODING (4th – 8th grades)

Students will learn how to build the structure of a webpage, import text, add images, create links, and then how to add style to their webpage with color, borders, creative fonts and so much more. This is the first and most important step in building a website and is valuable across all fields, including becoming your own entrepreneur! Newcomers to Coding are welcome. This course is a prerequisite for Winter 2017 Web Coding II: Building the Website. **No class 10/12, 11/11. 8 weeks.**
