

You Are Cordially Invited

The Fort Mill Fire Department proudly invites you to join us as we celebrate the dedication of our newest fire apparatus, Engine 3 and Ladder 1.

This special ceremony marks an important milestone as we strengthen our ability to serve the residents, businesses, and visitors of the Town of Fort Mill through the addition of these new emergency response units.

The event will include an apparatus dedication, blessing, traditional wheel wetting, and push-in ceremony as we officially place these units into service for our community.

Tuesday, June 9th at 7pm
Fort Mill Fire Station 1
121 Tom Hall Street

Following the ceremony, guests are invited to enjoy refreshments and tour the new apparatus.

Your presence will help us celebrate this important milestone and honor the commitment of those who serve and protect our community.
