

Landscape Design Student Project Application for the Pacific Horticulture College

Each year, PHC students work with members of The Horticulture Centre of the Pacific and the public who are willing to offer their properties as landscape design student projects.

If your property is chosen, two to four PHC students will be assigned to your property to consult, design and present their individual designs to the property owners. Please note that the project does **not** include the actual installation of a design in your garden.

The Landscape Design Instructor will review all applications and will contact the short-listed properties to set up an appointment to visit the property around the end of June or beginning of July 2019.

Please read through the following points carefully to see if your property fits our criteria:

- Your property is within **the Greater Victoria Area** (excluding Sooke and Metchosin).
- We are looking for **average sized properties** with the need for a backyard or front yard (and possible side yard) design. The size and the complexity of the property need to be suitable for a student project.
- You are **available for consultation** during late August – November. The successful design process requires communication between client and designer and your absence would make this impossible.
- You are willing to make a **\$400 donation** to the PHC Student Bursary Fund (a tax receipt will be issued for this donation).

Thank you for your time and consideration! If you are interested in applying for this project, please fill out the form below and email or drop it off at Pacific Horticulture College/the Gardens at HCP by **June 14, 2019**.

By signing below, you agree to the criteria outlined in this application:

Name: _____

Address: _____

Phone: _____

PHC Questions	Potential Partner Answers	
What is the travelling distance in time between the PHC and your property?		
What are the main streets that intersect near your address?		
Describe your site size.		
Describe your site complexity: unusual shapes, steepness, existing hardscape – buildings/patios/paving, existing plantings, wet soils, etc.		
Are you willing to make a minimum \$400.00 donation to the PHC Student Bursary Fund? (tax receipt available)	Yes	No
Are you willing to allow the students access to your property to measure and do site analysis when you are not there?	Yes	No
Do you have a guard dog that may resent the above?	Yes	No
Are you available during the months of mid-August to early November, for student consultation and feedback (up to 4 two- hour sessions)?	Yes	No
Are you willing to make a list of what you most want /need from your garden?	Yes	No
Are you willing to make a list of likes/dislikes regarding garden styles and garden plants?	Yes	No
If possible, are you willing and able to have a plot plan or survey mailed or dropped off at the College by August 1st?	Yes	No

Additional comments or information:

We will contact owners of potential properties to set up an appointment. You will also be informed if your property is not selected for this year's project. Thank you!
