YOUTH HOUSE SCHOOL FEES 2019-2020

We want your child to be able to explore as many of our offerings as possible when deciding which programs to attend. Please understand that staffing and other resource commitments are based in part on the number of students in each program.

5. Read through the page & at the bottom select the children you would like to enroll

No refunds will be issued after this period, full, non-refundable tuition.

Perhaps you do not know that tuition alone only covers part of the costs of operating our Youth House. The school's expenses are significantly subsidized by synagogue membership dues and contributions. As a result, support provided by the Youth House Fund underwrites the costs of equipment, programs, & "special touches" for things which the budget doesn't allow us to address. Please consider the YH Fund when making donations for various life cycle events. *Your donations truly enhance the quality and richness of our wonderful school!*

***Please Note that all discounts will be applied after registration is complete*
