WE NEED MORE awesome COUNSELORS

We need your help to make camp a place where kids can encounter Jesus in 2027! Being a counselor is also a great way to grow in your relationship with God and be a part of a great community of friends. *You can counsel at Teen Winter Retreat once you are one semester out of highs chool.

Why Counsel? Many of our counselors say they keep coming back to camp because it is a place where they always see God at work. Being a part of camp ministry can bring great joy and make a BIG impact for The Kingdom in just a short time! You will grow in your faith and get to be part of an awesome community!

What would it look like?

Winter: Retreats start on Friday at 6:45 pm and end Sunday at 1:30pm. We will have a counselor meeting Friday at 5:30 pm to meet each other, talk about the weekend and pray.

Summer: Our overnight kid's camps for grades 3-12 are in June and they are Monday - Friday. You could counsel for just 5 days or come to as many camps as you want! Counselors who commit to all of June get paid extra. We also have positions open to be on "summer staff." (More about that later).

What would I do? As a counselor your responsibilities would be to guide kids and teens as they have fun and seek the Lord. You would lead small group discussion times after chapel, supervise free time activities, go swimming with the campers, make sure they get to bed, be one of the leaders of a team for the week that competes in games. You would do everything with the kids from worshiping with them, eating with them, and encouraging them as they learn more about God.

Is there training?

Winter: There is not a training to attend for counseling at winter camps, but we will send you some helpful information before you arrive.

Summer: Yes, counselor training is Friday evening to Saturday evening, June 4-5, which is the best way to prepare. However, if you cannot be on site for training we will work with you to complete it in other ways.

APPLICATION

Will I get paid?

Winter: Yes, camp gives you a stipend of $120 for each weekend you counsel. We are also able to help with transportation costs for those coming from more than 2 hours away. We hope this will help make it possible for you to come.

Summer: Yes, experienced counselors and college students receive a stipend of $300 per week and new counselors receive $200 per week of overnight camp. Each counselor receives $40 per day of day camp. Also, depending on the situation, we can help with transportation costs. You may also stay and eat for free on site for as long as you are serving at camp.

How do I apply? Fill out our "counselor/staff application" online at byronbiblecamp.com or scan the QR code above!

The Summer Staff Option: We are currently looking for summer staff who would commit to 8+ weeks and get paid hourly. Summer staff often counsel each week and have an extra responsibility like media, worship, housekeeping, or programming behind the scenes. They have the option to live on site and would help some weekends with responsibilities in hosting guest groups.
