RE: Children's Choirs September 2025 May 2026

The choir year for children's choirs will begin Wednesday, September 3rd. There are two choirs available; TRINITY CHERUBS (ages 4-Kindergarten) and JUNIOR CHORISTERS (grades 1-6) The younger group (CHERUBS) rehearses 4:30 – 5:00 pm and the older group (JUNIOR CHORISTERS) 5:00 -5:40 pm. They use the choir room for their rehearsal space entering either through Parish Hall [BLUE] or the Choir door [GREEN] on the Ohio Street side of our building.

Following the rehearsals each week we have a Wednesday evening dinner. Each week a different individual, family or group will supply the meal. Serving begins a 5:30. If you would like to participate, please sign in the sheet in Parish or call the Church Office. Child care is also available for the children. The younger choir will go with a child care worker to the playground following their rehearsal and the older children can go following the fellowship dinner.

A tentative schedule of rehearsals and performances is enclosed in this letter.

The final performance for first semester will be December 14th with all choirs singing and ringing in the Annual Lessons and Carols.

The second semester of choirs will begin on Wednesday, January 7th and end on Sunday, April 26th.

Brenda Avelar and I look forward to the choir year and the privilege of working with your children.

A registration form along with a medical release and photo permission form must be filled out on the first day of rehearsal.

I hope that you will encourage your kids to participate in choir this year. It is a group which emphasis music, Christian education, and community building.

Yours,

Bert
