

Library to go. Grab an Alliance *Biblio-Bundle*.

The Alliance Française is pleased to offer our members the *Biblio-Bundle*, a collection of books chosen from a variety of genres in our library, ready to be borrowed for hours of reading enjoyment.

Here's how it works. Send us an email at afbiblio503@gmail.com with your genre selection, and we will assemble a bundle of 5 books, then notify you for pick up.

Biblio-Bundle check-out/return days will be Tuesday/Thursday, every week, from 11:00 am until 1:30 pm at the Alliance. When you have finished with your current selection, simply email another request, then check-out the new bundle when you return the old.

Go hands free with your *Biblio-Bundle*. Grab your first bundle and show your support of Alliance Française de Portland by using one of our canvas book bags with logo, available for \$5.00 (cash or check only, s.v.p.).

Biblio-Bundle genres en français include:

- Des romans et des littératures classiques
- Des policiers et des policiers traduits
- Des textes faciles
- Cuisine
- Du fourre-tout (les livres choisis au hasard)

Biblio-Bundle genres in English include:

- Crime novels and mysteries
- Travel
- Memoirs
- Cookbooks and cooking
- Mystery bundle

And for children, may we suggest *Biblio-Bundle enfants*, offering a large selection of French language children's books suitable for all ages, even adults. Include your child's age in the email so we can bundle up a selection and notify you when it's ready for check-out.

Biblio-Bundle is a lending library, and we kindly ask for the prompt return of books upon completion, so that others may enjoy them. The Alliance Française is unable to guarantee any specific title requests. We thank you in advance for your understanding.

Thank you again for your support of the Alliance Française de Portland.
