After School Enrichment Programs - Feb/March 2020

Overview

At LCM we are settling into our new home at City Park and we are gearing up to expand on our offerings. In the next few months we are piloting a series of After School Enrichment Programs. Through the end of this school year the programs are sponsored by Cox Communications, which allows us to offer need-based scholarships. Read on to learn more about our first 6-week Enrichment Program, and for directions to apply.

Please note that spots are limited to 15 participants; completing the application does not guarantee placement into the program.

About the Program:

Celebrate the magic of nature and art as we step outside to find inspiration in seeds, sun, sticks, and leaves. In this 6-week program we will learn to think like eco-artists: we'll create art inspired by our observations of nature and with materials found in our local ecosystem. As we make our own sketchbooks, plant seeds, create land art, and harness the power of the sun to make cyanotypes, we will explore the beauty of the natural world down below, up above, near, and far. On our last day of the program, gather together for an Eco-Art Exhibition to celebrate our growth, creations, and discoveries!

This class is for ages 6-8.

Date, Time, Location:

This program meets on Wednesdays, 4:30-5:30pm, starting March 4th and ending April 8th. We will begin each session in the Studio In The Park. Adult caregivers must be present for drop-off (sign-in) and pick-up (sign-out). On April 8th we will have an art exhibition for family members from 5:00-5:30.

Cost & Scholarship Info:

The cost to enroll in this 6-week program is \$150 for members and \$180 for non-members. Partial and full scholarships are available to families requiring payment assistance. A partial scholarship covers 50% (family pays \$90) and a full scholarship covers 95% (family pays \$9) of the non-member fees.

Enrollment Process:

- 1) Complete the online application by February 9th, [here](https://bit.ly/LCMenrichment). (bit.ly/LCMenrichment)
- 2) You will be notified of your acceptance status via email during the week of February 10th.
- 3) Follow steps to register within 48 hours of receiving your acceptance email.
