Iranian Women's Film Festival Virtual Edition

PROGRAM FILM GUIDE DONATE

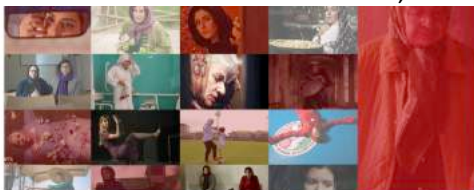

Welcome to Iranian Women Film Festival, virtual edition. This year, due to the pandemic like many other festivals around the world, we decided to go virtual. We present feature documentaries and fiction films directed by Iranian female filmmakers. We also have a shorts section and a round table with the filmmakers. This year, we are presenting a spotlight on Rakhshan Banietemad's documentaries, one of the most internationally and critically acclaimed filmmakers from Iran.
