

IN COLLABORATION WITH FOUNDING MEMBER/ART ADVISOR
JEANNIE DENHOLM, SCAPE GALLERY

"MEET THE ARTIST" / JEFF PETERS

Enjoy an up-close and personal foray into the art world of acclaimed artist Jeff Peters. Attendees will experience Jeff's studio, artwork, and an intimate dialogue with the artist and SCAPE gallery owner, Jeannie Denholm.

Jeff Peters received his BFA from Laguna College of Art & Design, and has been a renowned painter, illustrator, and designer for the past decade. He speaks of his art unapologetically in terms of beauty and finds kindred spirits in the art of the past, from the German Romantic landscapists to American color-field painters.

ETHOS GALLERY

Transition down the street and explore Ethos Gallery. Sit down with owner, Georgeana Ireland, an artist herself, and you'll find that her passion for the arts is visceral. Perhaps it's due in part to the 43 countries she's visited to refine her thoughtful eye.
