FEBRUARY 13, 2020

Last week we enjoyed celebrating our Hundredth Day of school!

We ended the week with a field trip! Thank you to all our wonderful chaperones for driving us to see *Pete the Cat!* We had a terrific time and our kids were a great audience! They laughed at all the right times and wanted to go back for more!

First Graders got to play with Mrs. Caron's first cellphone from 2002!

We had an "ancient" flip phone too!

We talked about the many changes in technology and wondered about what phones would look like in the future!

We are looking forward to our Valentine's Day party on Friday. We'll exchange valentines, decorate cookies, and play some games. If you want to send in a healthy treat, please do!

♥ We wish you a blessed Day to celebrate with those you LOVE! ♥
