Team C News

JANUARY 30, 2020

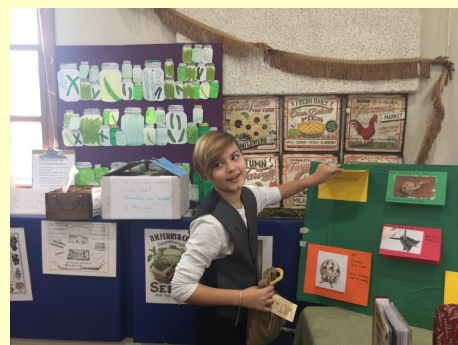

Welcome Term 3!

Team C worked so hard to put together the Agriculture and Liberal Arts building at our Chicago World's Fair re-enactment and all their hard work paid off! We had two fantastic buildings filled with multiple learning opportunities both for the students and for all the visitors we were able to share our knowledge with. Some highlights included a fantastic Tiffany chapel, make your own Tiffany bookmarks, a student made farm area as well as a Maillard Chocolate Pavilion with student made statues.

The Read-a-thon begins February 1st! Packets with all the necessary information have gone home and all students should be collecting sponsors this week. Starting in February, each student should be logging their reading minutes. Please log in this week and make sure your child's account is up and running. We are looking forward to all the great books we will get into.

New York City field trip forms are due this week. If you have not submitted your form, please do so as soon as possible.
