Preschool News

OCTOBER 25, 2018

Preschool is learning about how to be a part of God's Team! When we trust Jesus as our savior we are joining God's Team ! We are also having fun with sports and fitness activities during this 'sports season'; playing games indoors and outdoors to learn about baseball, football, basketball, soccer, hockey and cycling.

We rode our bikes for 1/2 hour at our annual **Trike-a-thon on Oct 23rd** with Kindergarten! This event connects to our FFL (Food For Life) curriculum studies of gardening, nutrition and fitness. A great **BIG THANK YOU** to all the people who sponsored our Preschool and Kindergarten students who rode in the Trike- a—thon! - Mrs. Eileen Cunsolo Early Education Coordinator
