Team A News

OCTOBER 25, 2018

Grades K-4 will be extending their learning by reenacting the Harvest Feast of the Wampanoag Indians and Pilgrims in 1621. This will take place on Friday, November 2nd.

9:00-9:30 Worship Service
9:30-11:30 Outdoor activities
11:30-12:30 wash/rest
12:00-1:00 Feast
1-2:30 Clean-Up

Pirate Party

Special thanks from Grade 1 to Mrs. Lee for coming in to make Pirate Playdough and turning it into a Pirate Party! "It's a Pirate's life for us!" "Arrgh!"

PLIMOTH PLANTATION

We had a great time at Plimoth Plantation! Students were given the opportunity to see the daily life of the Pilgrims and Wampanoag Indians up close.

Our students asked a lot of questions and learned more facts. Several of the Wampanoags and Pilgrims were impressed by our students' knowledge of their lifestyle.

We're looking forward to our very own Plimoth Reenactment day next Friday, November 2, 2018. Please check your child's binder for more information & food contribution requests. Team A students will be dressed in the Wampanoag costumes we made at school. There will be outdoor activities so be sure to send your child dressed for the weather. If you're available we'd appreciate your help: assisting with an activity or serving the feast. Let us know if you can help! ☺

SPIRITUAL EMPHASIS WEEK

During Spiritual Emphasis Week we grew deeper in our relationship with the Lord. Mrs. Jonay taught us a great new acronym to remember how to honor God: D.A.N.C.E= Delight, Acknowledge,(K)neel, Cherish, and Exalt. We also worshipped God by waving our colorful banners.

Trike-a-Thon

The Kindergarten class did a fantastic job and rode for a ½ hour. They had a lot of fun and God blessed this event. Thank you for your support!

Inspiration

The Kindergarteners were inspired by our recent aerial photo session. They decided to recreate their own aerial shot in the classroom using blocks!
