## Team D News

OCTOBER 25, 2017

### ELA NEWS

Don't forget that next week, on Friday, November 3<sup>rd</sup>, we have our end of term vocabulary test. Make sure you study all 60 vocabulary terms so that you will be well prepared for the test.

### MATH / SCIENCE NEWS

It was wonderful to see the Nature's Scavenger Hunt projects come in last week. Your hard work was very evident.

**8th Grade-** Please be at the school by **6:15 a.m.** on Friday so that we will be able to arrive on time to the A.C.S.I. Middle School Leadership Conference in Lexington, MA.

### FREE FOR THE TAKING

We have a very large aquarium that is FREE for anyone who is interested in taking it. It holds approximately 50+ gallons and we would love to find it a new home. If you have considered the joys of owning your very own large aquarium or turning it into a terrarium, just call the office or send Mr. Wadsworth an email at: [dwadsworth@holdenchristianacademy.org](mailto:dwadsworth@holdenchristianacademy.org)
