

OHIO START DATA TRAINING

This training will provide an overview of how to enter data when invoicing with Family First eligibility and how to accurately and correctly code information in Ohio SACWIS.

When

January 13, 2026
1 p.m. - 2:30 p.m.

Who Should Attend

- PCSA Administrators and Staff who work with Ohio START
- PCSA Fiscal Staff

Register

With approval from your supervisor, register to attend via CAPS LMS located in the OHID page under My Apps. Training details will be included with registration.

About

The Department of Children and Youth (DCY) invites participants to register for an upcoming training focused on learning how to calculate the correct ratios for Ohio START when invoicing. Anyone who is entering this information into Ohio SACWIS, completing or reviewing RMS observations or claiming expenses for Ohio START should attend the training to learn how to accurately and correctly code information in Ohio SACWIS, RMS, and CFIS. This training will provide a demonstration of the data entry to ensure compliance.
