Aerosol Products from Spectrum Color

Spectrum Color Gel Spray

Gel Spray is an easy to use aerosol gel coat for small projects. Simply shake the can, activate the mekp, spray and sand. Available in all stocking colors, it is the original factory color and is already pre-mixed with patch aid for a better cure.

1K Guide Coat

The product stands out thanks to the fine dispersion which creates a thin, homogenous and powdery coat with very good sanding properties. This improves the efficacy of the sanding process and the paint results.

Polyester Spray Filler

High-filling spray filler for fast leveling of large unevenness, strong sanding marks as well as roughly prepared repairs. Can be used on all surfaces also GFK.

Thank you for choosing Spectrum Color.

Our state of the art color matching facility provides you with the best gel coat matches in the business. All colors are grade A matches to over 15,000 factory standards. Located in the back of each catalog is a list of our active boat manufactures and their telephone numbers, making it easy for you to identify the color with the factory before placing an order. Listed below are our standard features offered to all dealers and repair facilities. We appreciate your business and hope to have the opportunity to meet all of your gel coat needs in the future.

Thank you again,
Spectrum Color.

- **Over 200 participating boat companies**
- **Guaranteed color matches-**Spectrum Color guarantees all custom matches and all stocking colors will match the factory standard
- **48 hour turn around** time on all stocking gel coat quarts and patch paste kits.
- **3-5 day turn around on all non-stocking** colors and custom matches.
- **East Coast Distribution Center**: Located in St. Augustine, FL, providing 1-3 day ground service to the East Coast & Great Lakes.
- **UPS** ground**,** next day, second day, and third day air service, Fed Ex Ground Service. UPS also offers Saturday and early AM delivery to some locations for an additional $20.00 Fee.
- **Custom Matches**: Available in gallon sizes. **All samples must be at least the size of a quarter or larger. See table of contents for more information**
- **Standard Fed Ex Ground Shipping**: Anywhere within the continental United States.
- **Online Ordering**: at www.spectrumcolor.com
- **Technical Assistance**
- **Comprehensive accessory list and catalog**
- **Easy payment options and open accounts**: Net 30, Visa, MasterCard, Discover & C.O.D.
- **International Shipping**: Overseas, Mexico and Canada
- **Retail Packages:** Patch Paste display racks and complete gel coat kits for do-it-yourself repairs
- **Drop Shipping:** For you and your customer's convenience

F25680G	Gallon
F256805G	5 Gallon

AD-Tech White P-14 Polyester Filler
The most versatile of all set-fast filler pastes, P-14 Polyester Filler is a two-component filler system which yields a smooth, creamy, thixotropic, and workable paste with superior handling, set-fast characteristics and dimensional stability. Once applied, it forms a rigid, strong surface with can be machined, sanded, filed or scraped to a feather edge.

	Size
F452000Q	Quart
F452000G	Gallon

AD-Tech Black P-17 Polyester Filler
P-17 high heat resistant filler set-fast system has uses where potential exposure to elevated temperatures up to 230°C/446°F have to be tolerated either for short term or continuous periods. P-17 offers a smooth workable paste with set-fast cure to expedite those applications for repair or finish.

Patch Aid

A patching additive used to reduce the problem of halo marks and to improve the cure of the repairs so that buffing and polishing become an easier process. Patch Aid is available in three grades – slow for overnight and large area repair, fast for the same day repair, and speed also for same day repair and is also required for Armorcote®, and Armorflex®. **Low VOC gel coats require LVOC patch aid.**

Slow Patch Aid	**Gel Time 15-25 Minutes**	**Size**
	Sand Time 6-8 Hours	
F301000-Q		Quart
F301000-G		Gallon
Fast Patch Aid	**Gel Time 8-12 Minutes**	
	Sand Time 45-60 Minutes	
F301001-P		Pint
F301001-Q		Quart
F301001-G		Gallon
Speed Patch Aid	**Gel Time 5-8 Minutes**	
	Sand Time 30-40 Minutes	
F301002-P		Pint
F301002-Q		Quart
F301002-G		Gallon
LVOC Patch Aid	**Gel Time 8-12 Minutes**	
	Sand Time 46-60 Minutes	
***Specifically for use with Low VOC gel coats. Suggested mixing ratio 10-15%**		
F301004-Q		Quart
F301004-G		Gallon
Ashland Pro Patch	**Gel Time 5 Minutes**	
	Sand Time 1-2 Hours	
F301005-Q		Quart
F301005-G		Gallon

Duratec Clear

When mixed 50/50 in the final coat, produces a non-wax, tack free, high gloss finish.

Hazardous shipping fees apply for gallons.	**Size**
F801000Q	Quart
F801000G	Gallon

Surface Seal

A wax additive that produces a non-tack sandable finish when added to your final coat. Use 1 oz per quart of gel coat.

	Size
F3010031	1 oz
F3010034	4 oz
F301003P	Pint
F301003Q	Quart
F301003G	Gallon

PVA

Polyvinyl Alcohol Mold Release is used to ensure a surface cure. Spray over wet gel coat and wash off with warm water after gel coat is cured. The surface is ready to sand and buff.

	Size
F255200P	Pint
F255200Q	Quart
F255200G	Gallon

Spectrum Color Accessories

Styrene Monomer

A thinner used with gel coat, when spraying is the means of application. Do not reduce more than 20%. Styrene is not recommended for Armorcote®, Armorfelx® & Low VOC gel coats.

	Size
F302500Q	Quart

Catalyst

Methyl Ethyl Ketone Peroxide is a hardener for gel coats and other polyester resins. For gel coat, use 2% by volume or 2 tsp. per pint of gel coat.

	Size
F255000	¼ oz
F2550001	1 oz
F255000E	2 oz

Webbing Solution

Mix 50/50 with gel coat and spray with a siphon cup gun. Keep the breakup air turned off and it will lay out a pattern that looks like webbing.

	Size
F151400P	Pint
F151400Q	Quart
F151400G	Gallon

Pour Foam

Polyurethane closed cell 2 lbs density. 2 quart kit will produce 2 cu. ft., 2 gallon kit will produce 8 cu. ft.

3M™ Perfect-It™ EX AC Rubbing Compound

3M™ Perfect-It™ EX AC Rubbing Compound is our best-performing rubbing compound for removing P1200+ sand scratches and surface defects before polishing, even on the latest clear coats. It is formulated to perform in all conditions, including high heat and humidity, without sticking to panels or leaving film residue. It delivers a longer working time, yet still reduces sling for easier cleanup.

	Size
F7536060Q	Quart
F7536061G	Gallon

3M™ Perfect-It™ EX Ultrafine Machine Polish

Our 3M™ Perfect-It™ EX Ultrafine Machine Polish quickly and completely removes ultrafine swirl marks, even on difficult dark-colored vehicles. It stays wet longer, letting you use less material for a refined finish. Yet it also holds better on the pad for reduced sling and faster cleanup. You get polished surfaces without machine polish swirl marks – all at lower material costs and process times.

	Size
F7506068Q	Quart

3M™ Perfect-It™ EX Machine Polish

Our 3M™ Perfect-It™ EX Machine Polish is the highest-performing machine polish we've ever introduced for removing compound swirl marks in collision repair. It stays wet longer, letting you use less polish for the same refined finish. Yet it also holds better on the pad for reduced sling and easier cleanup. You get smooth, polished surfaces without compound swirl marks – faster, and at less cost.

	Size
F7506094Q	Quart

3M™ Perfect-It™ Boat Wax

Our 3M™ Perfect-It™ Boat Wax is the final, brilliant step in achieving a truly professional marine finish. Its blend of pure Brazilian carnauba wax, silicones, polymers and resins brings out an extraordinary gloss and provides durability against the elements. The liquid wax formula is easy to apply and remove even on warm surfaces, and is safe for gelcoat, paint, fiberglass and metal.

	Size
F7536112P	Pint
F7536113Q	Quart

3M™ Marine Ultra Performance Paste Wax

Our 3M™ Marine Ultra Performance Paste Wax features our unique polymer technology that combines the durability of acrylic with the soil release and water beading properties of silicone. The result is a wax that maintains a protective high gloss finish through rain, sun and soil on marine applications. Paste wax applies easily to gelcoats and painted surface.

	Size
F7509030	9.5 oz Can

3M™ Adhesive Sealants

3M™ Marine Adhesive Sealant 5200 Fast Cure is a one-component, high-strength, moisture-curing, gap-filling polyurethane for permanent bonding of aluminum, wood, gelcoat and fiberglass. This fast cure version of 5200 is formulated to typically cure within 48 hours. It chemically reacts with moisture to provide strong, flexible bonds above or below the waterline.

3M™ Accuspray™ Spray Gun System with Standard PPS™

Say goodbye to the springs, o-rings, nuts, seals and all the other tiny spray gun parts that complicate your life in the body shop. Say hello to the 3M™ Accuspray™ ONE Spray Gun System: a lightweight, cost-effective solution for applying paint and other coatings in collision repair. It features a one-piece composite spray gun body (no maintenance kits) and a series of reusable, replaceable atomizing heads. This makes for true versatility: when the performance of a spray nozzle starts to decline, simply remove it and snap on a new one. Atomizing heads are available with a variety of fluid tips sized for the full range of automotive and industrial coatings, from base and clear coats to primers to gelcoats and enamels. A single kit provides everything you need to start spraying - with less pain, and more profit.

3M™ Accuspray™ Atomizing Head Refill Packs

3M™ Accuspray™ Atomizing Heads are designed specifically for use with 3M™ Accuspray™ ONE Spray Guns. This selection of replaceable heads makes for the incredibly fast, efficient application of low-, medium- and high-viscosity materials from one gun. Technicians simply remove and replace the head for the performance of a new spray gun on demand. See-through heads are easily cleaned and reused.

Business Days in Transit from Saint Augustine, FL 32084

Stocking Gel Coat Colors - Spectrum Color offers a guaranteed 48-hour turnaround time on all stocking gel coat quarts and patch paste kits. If you order a stocking item and Spectrum Color does not ship the order within 48 hours, Spectrum Color will give you 10 % off your next order. Our cut off time is 12:00 P.M. EST. All stocking colors are available in quarts, gallons, 5-gallon pails, Spray Cans, and Patch Paste Kits. Please call for pricing. Stocking colors may be returned within 30 days for a 15% restocking fee if the gel coat and container have not been used or contaminated.

Non-stocking and custom match colors- Spectrum Color can ship non-stocking and custom match colors in 3-5 business days. Non-stocking colors are available in quarts, gallons, and 5-gallon pails. Custom matches are only available in gallons and 5-gallon pails. Please call for pricing. All non-stocking and custom match sales are non-refundable and non-returnable.

Color Identification -If you are unable to determine the correct color by using our catalog, please contact the boat manufacturer directly. Please have your hull identification number, make, model & year available to assist in determining the correct color for your boat. Refer to the directory in the back of the catalog for the appropriate boat manufacturer phone number.

East Coast distribution - Gel coat colors are available in our east coast warehouses in St. Augustine, FL. Please inquire as to availability.

Payments:
Spectrum Color accepts VISA®, MasterCard®, and Discover®. We also have C.O.D. and credit programs available. Please call for more information.
