

# Pieceful River

Wednesday 17th

10am - 4pm \$25

(Size – 72" x 84")

Norwalk Vacuum and Sewing

Norwalkvacsew.com

Teacher: Larene Smith of The Quilted Button

## Supplies

ONE Package of 10" Squares (42 needed) --- Kits Available

2 Yards Outer Border (Light to Medium) – Not included in Kit

ONE Fat Quarter (Accent for Appliqued Letters – Included in Kit)

3/4 Yard – 12" Wide Steam-A-Seam 2 (Lite) Fusible Web – Not included in Kit

*\*\*\* Come to class with your 10" Squares sorted into (6) stacks of (7) – this will help with time so that the center can be completed in class.*

*\*\*\* If not purchasing a kit be sure to have a Fat Quarter and your Outer Border Fabric to begin the Applique' process. I found it more helpful to have a lightweight stabilizer for the applied pieces.*

Thread to match your fabric.

1/4" Sewing Foot with NO GUIDE for your sewing machine would be helpful, but not necessary.

Bring your machine in good working condition with all power cords and sewing feet.

**All general sewing supplies** – such as scissors, straight pins, (1) 8-1/2" x 12-1/2" Ruler, (1) Package of Clover Mini Clips (would be helpful) etc.
