Recycle, Reuse, Repurpose Tie Pillow

Many dads and sons received ties throughout their lives as gifts. As styles change some treasured ties are left behind tucked away in closets and bureau drawers. Let's repurpose them! Or if you don't have any, root through the local Goodwill or Thrift Shop for some interesting prints at a great bargain. Using the ties, and a couple of small embroidery designs to create a great conversational, decorative pillow. It will add an accent to any room. The embroidery designs will be supplied at class, as well as stabilizer and an ivory silk for the back fabric at **Norwalk Vac and Sew**, or in a kit for only \$15 on day of class.
