

Summer Garden Help Needed

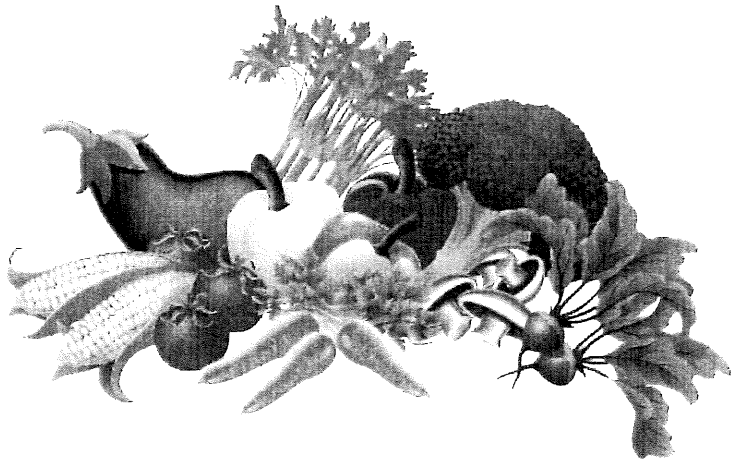

(No green thumb required!)

We are looking for people/families to volunteer some time and talent this summer in our SJE Garden. In order to sustain our fabulous garden, we need to ensure it receives proper watering and weeding. In due time, we will also harvest the goodies as they ripen! **We are only**

asking for volunteers to work in the vegetable garden (between the church and parish office.)

People new to gardening are welcome! We are happy to help you learn the basics.

If you or your family is interested in taking a week this summer to visit & tend to our garden please mark your top five preferences (#1 is your first choice, #2, etc.). We will do our best to accommodate your preference and notify you before the end of the school year. **Please return this form to the school office by May 9th.**
