#### **JUSTEN ARZAMENDI**

My name is Justen Arzamendi, and I am 19 years old. I have been a member here at St. John the Evangelist since I was four (4) years old. I love to help however I can. I've been volunteering here at St. John's in different events and feel my faith continues to grow stronger each time. I have helped out at the parish festival for about four (4) years. I've been an usher at St. John's for about five (5) years and, this year, I helped out at the parish fish fry. I would like to be a part of the Pastoral Council so I can serve my parish in another way. Thank you for your time and may God bless us all.

#### **SHARON BRUMER**

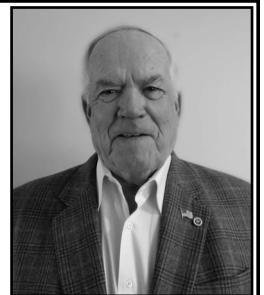

Coming Home - When I was a young adult in my early 20's. I joined St. John the Evangelist Parish. I volunteered as a catechist and helped with the festival. A job change and move took me out of the parish. I was then a member of St. Alphonsus Parish for 24 years, active as confirmation facilitator, served 2 terms on Parish Council, worked with numerous committees: Evangelization, Communication, Stewardship, Parish Life, and Human Concerns, while also singing with the choir/cantoring. Another move brought me to St. Charles Borromeo Parish, when I also sang with the choir/cantored, was discerned to Parish Council, and served on various committees over a 20-year period, including as a parishioner representative at the Archdiocesan Amazing Parish Conference. This past December I moved back into the area and once again became a member of St. John the Evangelist - truly feeling like coming home. I joined the choir at that time and look to become more involved in this wonderful community of faith. In March I retired from Catholic Charities, where I was Communications Coordinator for 22 years and Parish Relations Coordinator my last 3 years there.

#### **LARRY ELLIOTT**

My name is Lawrence (Larry) Elliott and I'm seeking a position on the SJE Council. I'm retired after a 47-year career in aviation both in Aircraft Maintenance and as a Flight Engineer. I was the Director of Maintenance for a Fortune 100 company. I also served my country in the Military for 30 years, 28 of them as a U.S. Marine! I am the Post Commander of Legion Post 120 in West Allis, and also a member of DVA Post 19, West Allis.

I served for several years as the head of the SJE Landscaping Committee. The members of that committee along with the volunteers allowed us to transform the grounds. I also served on the Building and Grounds Committee. I have found great personal joy in serving and volunteering at SJE. As a Lector, my Faith is strengthened reading from scripture, and as an Adoration volunteer I found a peacefulness in devoutly praying for the needs of the Church and others!

#### **GIULIO LEONARDELLI**

I have been a member of St. John the Evangelist Parish for roughly 26 years. My wife, Cindy, and I were married here in September of 1994. Both our children, Natalie and Maya, were baptized, received their First Communion, confirmed and attended school at this parish. I am actively involved in the parish with the festival, the Holy Name Society, and being a Lector at Mass. I started as a Lector with our older daughter, Natalie. After she went to college two years ago I continued with our younger daughter, Maya. She will be leaving for college this August. While our children attended the school here, I served on the Athletic Board as Athletic Director for a few years.

I am honored to have been nominated for the Pastoral Council. If chosen to serve on the Pastoral Council, I will put in all my effort to ensure that the values of this parish community continue to thrive for many years to come. Thank you for the consideration. God Bless!

#### **JIM LEY**

Jim and his wife Donna have been members of St. John's for 27 years. Our children, Dana and Katie both attended St. John's grade school. I have been a Eucharistic Minister for almost 20 years and a volunteer for the Brewer game fund raisers. In addition, I've filled various parish roles such as acolyte, fish fry guy, festival taco slinger and others over the years.

Having worked for the City of Milwaukee Fire Department for just over 35 years, I retired in 2018 as Deputy Chief.

I feel blessed to be a member of St. John's and am honored to give back to the parish that has given myself and my family so much.

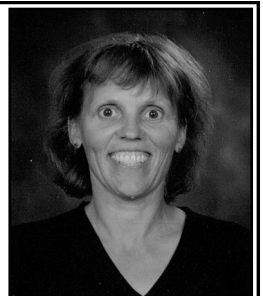

#### **MARY MITCHELL**

Hi, my name is Mary Mitchell and I am running for one of the open positions on your Pastoral Council. I was a senior systems analyst at Johnson Controls and retired last year after 20 years with the company. I have been a parish member since St. John's moved to Greenfield. I have previously served on the Pastoral Council and would be honored to do so again. I believe St. John's is a wonderful parish faithful to the values and traditions of the Catholic faith and embraces continuous Christian formation and stewardship. I have worked at every parish festival since the beginning and have been on the planning committee for the last 25 years, currently in the food and supply area. I am also the treasurer and on the Board of Directors of Adaptive Sportsmen Inc. It is a non-profit charitable foundation that provides outdoor recreational activities for physically challenged people.

#### **NATALIE PITCHER**

Hi, my name is Natalie Pitcher and it has been my honor to have served on Pastoral Council since 2016. My term ends in June and I would consider it a privilege to continue to serve for the next three years. My husband, Dean, and I have been married for 27 years and have been parishioners since 2003. Six of our nine children have graduated from the day school and we have three who are current students. We consider SJE an extension of our family. Service to our wonderful parish is an important part of our family life. Being part of Pastoral Council is a big part of my service. I currently serve as the liaison between the school and parish. I hope to continue to be a voice for all parishioners. It would be a blessing to have the opportunity to help our community grow in Faith, Love and Service.
