Continuity of Instruction

## Parent Support Resources

**Online Open House Event:** Connect with your school administrators, teachers, counselors and staff to learn more about your school's continuity of instruction plan to support your child's learning. Each school will send their Online Open House schedule this week. Summary of the information will be sent through BlackBoard Connect.

**School Communication:** In addition to email, each school has established phone lines for you to reach the office staff. The office staff will connect you with school personnel to provide assistance including administration if desired. The phone number will be posted on your school's website and also sent through Blackboard Connect. Also, feel free to connect with the LDC parent unit (contact information is on the back).

**Parent Workshops:** Moving to online learning requires an understanding of online platforms. LDC will provide weekly parent workshops to help you understand several online platforms including Schoology, Google, and IXL (ELA/English and mathematics). Sessions will start on Monday, April 13<sup>th</sup>. This information will be posted on the LDC website and sent through Blackboard Connect.

**Laptop/Ipad Technology Support:** Each school has or will establish distribution dates for laptop, Ipad, and WiFi hotspot distribution. This information will be sent through Blackboard Connect. For help with your device, please call 213.443.1300 and you will be directed to ITD support staff.
