

The Stewardship Committee appreciates and recognizes people and groups within Grace that continue to Equip Grace for Today, Tomorrow and the Next 100 Years!

**The Learning Committee** - Last month members of the Learning Committee provided the *Blessing of the Backpacks*. They visited each Grace student to share a treat for their backpacks as they begin the school year... whether at home or in-person at school! Awesome opportunity to deliver a special blessing to our students. *Thank you, Learning Committee members!*

**Sunday School Classes on Zoom** - In the last couple of months several adult Sunday School classes have begun Zoom classes! Sunday School is a time of gathering for learning and fellowship. Congrats to the classes that have taken this extra energy and time to connect during our separation from in-person classes. Christian Fellowship is core to our church. *Thanks leaders, for caring enough to reach out to one another!*

**Annie-Laurie Wheat** - Coordinator and Cook for the Senior Adults luncheons. While the Fellowship Hall has been empty and silent for the past six months, the Senior Adults have not been forgotten. Annie-Laurie has continued to touch base with these folks. This is a very meaningful and heartfelt ministry and we are so proud that Annie-Laurie has continued the contact during our separation. *You're the best, Annie-Laurie!*

**Michelle Cunningham** - Our Parish Administrator has many talents. One of those is her computer skills, evident in our *E-News* each week. Our *E-News* is inviting and interesting with her design and layout. This weekly publication is packed with news and opportunities for our church. We are so blessed to have Michelle here at Grace Lutheran! *You're a Gem!*
