People re-assembling the Sunday School Classrooms - Many folks helped reassemble the Sunday School rooms after the painting was completed. When Sunday School returns in September our members will find fresh, clean, and brightened rooms. Thanks to all who shared in this task.

We appreciate you giving of your time and labor!

Virtual Choir Members - When faced with a Covid shutdown our music director and choir members stepped up to be sure our worship services were not music-less! The Virtual Choir grew in numbers as the year passed. Their combined voices brought music into homes of members and non-members. Shut-In folks were now able to enjoy the sermon and music on-line. This ministry grew and proclaimed God's word in music.

Outstanding talents that touched so many. Thank you all!

Lectors - Lectors are returning to our in-person worship services. For those attending in-person worship this is another step closer to our "being back!" We appreciate those willing to step-up and participate in worship.

Thanks for sharing your time and talent!
