

The Life House Women's Shelter is one of our Outreach Partners for 2022. Their mission is to offer safe shelter, a warm meal, fellowship, and a starting point on the continuum of care for homeless women. Our home of York County is not immune to the plight of homelessness that our country faces. There is a growing number of women and children living in cars, woods, and warehouses within our community. In an effort to move women off the streets and into housing, The Life House seeks to provide help and hope to women in need. There will be plenty of opportunities for Grace members to volunteer at The Life House and help show that God is at work. Hope is being restored and love is being discovered. Stay tuned for more information.
