

November 3, 2024

Dear Grace Family,

This letter serves as the official notice of the Annual Business Meeting of Grace Lutheran Church to be held on **Sunday November 17, 2024, in the Fellowship Hall**. This meeting will be held after one combined worship service at 10am and will begin at approximately 11:30am.

We will gather over a potluck meal to vote on the annual business of the congregation, including electing Council Members, Nominating Committee Members, and Endowment Committee Members, as well as voting on our 2025 Missional Spending Plan.

More information regarding members running for Council and Committees will be shared in the coming days. The proposed 2025 Missional Spending Plan (summary and detail versions) has been available in the Grace Notes e-news publications. Printed copies are available by request from the church office.

Our first **Missional Spending Plan Forum** was held today, November 3rd, and was recorded. That recording can be accessed through the e-news. Our second forum will be held **this Sunday, November 10th, after the 11am service**. These forums serve as opportunities for those who have comments, questions, or highlights regarding the proposed Missional Spending Plan for the coming year.

Please make every effort to attend or view one of the Spending Plan Forums and attend the Annual Business Meeting. It is such a privilege for us to be able to gather as a church family, and together, to discern how God is leading us in 2025! Our Stewardship materials have set an exciting foundation for the year ahead, and soon we will get to determine together how we will be *Renewing Our Purpose* as a congregation at the meeting.

We look forward to seeing you on November 17th!

Sincerely,

Jeff Ranges
Grace Congregation Council President
