

## PLASTIC BOTTLE CAPS

Thanks Grace family for collecting the plastic bottle caps and lids over the past six weeks.

These caps were collected and sent to the Rock Hill Miracle Park. The caps will be turned into a bench at the park.

Thanks for being a “good Rock Hill neighbor” and a good steward of recyclables!

## Aluminum Can Tabs

Ronald McDonald  
House Charities®

*Join us in collecting aluminum can tabs.*

*The Ronald McDonald House recycles these and the funds benefit children with physical needs in many ways.*

*Shriner's Children's Hospital benefits from the Ronald McDonald Houses by providing housing for the patients' parents.*

*“It takes approximately 1,128 pop tabs to equal one pound. We typically receive between \$0.40 to \$0.50 per pound of pop tabs. This program brings in an average of **\$6,000 each year**. Last year you donated over 13 million pop tabs! We accept more than just soda pop tabs.*

*The tabs can come from energy drinks, soup cans, or anything with a metallic tab.*

*Our Pop Tab program is important because it provides extra revenue that can help make up for the donations that families cannot make. To house one family at Ronald McDonald House Charities® of the Coastal Empire is between \$100-\$140 per night. That is a total of \$1,157-\$1,625 a night when our 13-bedroom House is full. We ask for a \$10 per night room contribution from our families, but no family is turned away based on the inability to pay.”*

*- from [Ronald McDonald's website](#)*

**There is a collection basket in the Fellowship Hall.  
We appreciate you being good stewards of items typically thrown away.**
