

## *Rachel's Ring*

is a ministry formed to honor one of our past members, Rachel Pollari, by following the examples she set in showing the love God has for His people.

We pray for our recipients and create home-made cards and hand-written notes of love, encouragement, congratulations, and thank you.

*We have decided to reactivate Rachel's Ring in a new "social distancing" format. We have planned a process that involves mailing card supply packets to card creators and note writers. The finished cards are returned to the church office to be postmarked and sent.*

*Since many of you are spending a great deal of time at home these days and looking for things to do, we thought you might like to be a part of this new remote concept of Rachel's Ring.*
