

Property & Beautification Committees

Thank you for improving our learning, leading, and fellowshipping areas.

From each of our entrances it is obvious, changes have occurred.

- Parking Lot entrance- the upgraded stairs and the facing wall as you go downstairs.
- The bathrooms near the office and the nursery – new toilets and toilet paper roll dispensers.
- The upgraded conference room – new flooring, painting and conference table and chairs. A new TV with VCR and credenza.

Downstairs

- Men's Sunday School room, AA meeting room and the Bridal Room – update with paint and new flooring.
- Sunday School Hallway and Classrooms – fresh painting and floor buffing and waxing.

Our facility is fresh, inviting, and waiting to have members meeting and mingling in leading, learning, worshiping, and fellowshipping.
