

Finance Chair

The Finance Chairperson is responsible for scheduling the committee meetings, writing the meeting minutes, submitting the committee's recommendations to Council, and writing the Annual Report. That is really it – no prior financial experience is necessary! In the past, there have been several chairs of the committee who did not have a finance background including an attorney, an IT professional, and a Comporium employee, and they all did a fine job! The committee is made up of 9-10 active members including the Treasurer, Assistant Treasurer, Financial Secretary, and Assistant Financial Secretary who are all very dedicated to their individual roles. They just need someone who is willing to schedule the meetings and summarize the committee's recommendations for Council. Please let the Church Office know if you are willing to be that someone!
