

100th Anniversary Memories of Grace Lutheran Church

We are Gus and Nancy Koegler and have been members of Grace Lutheran Church since March of 2007.

We moved to Fort Mill in August of 2006 and started visiting many Lutheran churches in the area.

Upon visiting Grace, we were welcomed, very pleasantly, by Pat Kirk and Pastor Ray Mohrmann who both, graciously, showed us around the entire church. Upon leaving, we knew this would be our new church.

Since joining the church we have been active in many volunteer programs, listed below, until the start of the Covid disease.

Family Promise: Prepared meals, ate with, and visited families staying at Grace.

Hunger Outreach: Cooked, packed, and delivered meals to needy families.

Muggers for Grace (From 2012 to 2019): Visited, and delivered a coffee mug, to each of 34 homes.
