

# Children's Word Time

**Children's Word Time** (CWT) is a new part of our Sunday worship services!

CWT is an opportunity for our 8-and-under members to worship at their own developmental level, during the Word portion of the service (pg. 92 of the ELW). We gather at the front of the Sanctuary after the Prayer of the Day for a short message, and then process out of the Sanctuary and return during the sharing of the Peace.

We carry the Children's Processional Cross with us as we go to CWT, to remind us that while we are leaving the Sanctuary, we are still worshipping. This cross is a new liturgical element in our Sanctuary and was lovingly crafted by our own Ryan Brown, Sr.

During CWT, a pastor and a volunteer lead the children in Scripture, prayer, music, theater, games, and/or crafts so that they can learn the day's Scripture lesson in ways most helpful to them. CWT takes place in the Nursery, where worship from the Sanctuary is also streaming.

Children are welcome to bring their adults anytime to experience Children's Word time with them!

*If you have questions, please speak to either Pr. Gregg or Pr. Rachel; they'd love to share more about this exciting program with you.*
