

The Stewardship Committee
appreciates and recognizes
people and groups within Grace that
continue to Equip Grace for Today,
Tomorrow and the Next 100 Years!

Congregation Council Members and Officers: We appreciate your time, leadership, and commitment to Grace! Council members also lead and/or participate in committees in addition to their council duties.

Health & Wellness Committee: This committee has been valuable throughout the Covid pandemic advising the Grace Congregation Council on necessary precautions. Led by Dr. Rick Richter, the committee meets monthly, and as needed, to evaluate the current virus status. The committee also provides our church with emergency equipment including the AED (Automatic External Defibrillator), oxygen, and First Aid supplies. Throughout our church building you will find a First Aid kit located on the top of the fire extinguishers, in the office area, conference room, Narthex closet, nursery, youth room, and in the White House. The committee also has a CPR & First Aid instructor to provide certified classes to church members and groups. We appreciate their stewardship demonstrated in many ways!

Walker's BBQ: Walker Stockley has gifted members and groups of Grace Lutheran with his barbecue skills over the last several years. He recently catered the annual Grace Picnic. Walker's BBQ also provided a fund raiser for the York Choral Society here at Grace. Many members of Grace are members of the choral society. Walker enjoys cooking barbecue and we at Grace enjoy him sharing his talents!
