+62 years old: 32

Chronically homeless guests served: 40

Bethel Night Shelters Individuals engaged in Case Management: 62

Case Management Service Transactions: 123

7-10 different members of Grace Lutheran have volunteered an estimated 300 hours of service at Bethel Shelters in 2022. Annie Laurie Wheat an Bob Stonebreaker are present every Monday evening distributing donations. Ruth Wasserman and Dawn Hartman are present at the Shelter sorting and organizing donations throughout the week. Their individual contributions cannot be counted as they come early, leave late, and are always available as needed. These key volunteers have enabled the Night Shelter donations program to run smoothly since they have engaged as volunteers. However, each of the Grace Lutheran volunteers have given valuable time and energy to Bethel Shelters. They were new to our organization, stepped up to lead, and they have invited friends from Grace and from their employers to volunteer with them. We are grateful for the ways in which Grace members have decided to connect and pour into the Bethel Night Shelter.
