

## 6 Month Outreach Partnership Updates

*We've been working with our Outreach Partnership Grant partners for 6 months now! Read on to hear how things are going.*

### HOPE of Rock Hill

Happy to report all is very well at Hope where they appreciate the generosity of Grace with their level of volunteers and donated items from the weekly list. Grace currently has approximately 10 members offering their time to this dynamic organization.

### Pilgrims' Inn

Jason Davenport, the new Executive Director of Pilgrims' Inn, spoke to the congregation on Sunday, August 29, 2021. In his presentation, he outlined the mission of the organization, its services to the community, volunteer opportunities, and the need for both financial and in-kind donations. He stayed after the service to answer any questions. As a result of his presentation, eight (8) congregation members were placed on the volunteer list.

Traditionally, Pilgrims' Inn has had a large volunteer day in the fall, but it is not clear that the Covid-19 situation will allow for that to occur. Regular updates on specific needs will be provided to our parish office for inclusion in our weekly e-mail to the congregation.

## Community Café

The Community Cafe is once again doing only take away meals due to the increased number of Covid infections in the area. The number of people the Community Cafe is now serving is down. The food truck has been suspended for two months.

Don Murfin is scheduled to meet our congregation on September 26. Hopefully at this time we can get some congregation volunteers involved in the program.

Just as a reminder Community Cafe has three locations:

The Community Cafe at Lake Wylie Lutheran Church
