

We welcome Donna and Dave Childers to our Grace Family! They have two curious cats, Ozzy and Chloe.

Dave holds a business degree from the University of Greensboro. He is also gifted with technology, electrical, and plumbing abilities, among other talents. Donna is the eldest in her family. Her family moved several times

growing up, as her father was a Lutheran pastor. She has a degree in horticulture from Catawba Valley Community College and a degree in merchandising from Kings College.

Dave enjoys working with his hands. They both share a love of outdoor activities including bicycling, hiking and water skiing. She enjoys crafting, gardening, and reading. If she has spare time, she dabbles in welding and throwing clay pots.

Donna's parents, Don and Betty Loadholdt, were members of Grace. Dave and Donna moved here from Salisbury and live at Deer Run in Catawba. They felt comfortable here when visiting and decided to make Grace their church home. Donna is interested in becoming a choir member and is considering joining a Sunday School class. Dave and Donna are looking forward to meeting people and using their talents in our community.
