

**Covid Vaccinations** are becoming more readily available in our area. If you are eligible for a vaccination and plan to get a vaccination, here are a few places you can check for vaccine availability. Most places require you to go back to websites frequently to check for updates on appointments, as appointments are released as information about the vaccination supply is confirmed.

**The City of Rock Hill/Piedmont Medical Center Covid Vaccination Clinic** is located at the Galleria Mall, 2295 Dave Lyle Blvd, Rock Hill, SC 29730, in the space formerly occupied by Home South and Goody's. This local clinic offers several thousand vaccinations each week. Appointments for Pfizer vaccines are scheduled for one week at a time, usually on Monday or Tuesday of each week. To start the sign up process, visit [www.cityofrockhill.com/departments/office-of-management-budget/more/office-of-management-budget-omb/covid-19-updates](http://www.cityofrockhill.com/departments/office-of-management-budget/more/office-of-management-budget-omb/covid-19-updates). If you need help scheduling an appointment or have other questions, you can call the Community Vaccine Clinic Call Center at 803-980-2684 during clinic hours (Tues-Friday 9 AM – 4 PM).

**Good's Pharmacy**, 1237 Ebenezer Road, Rock Hill. Call for an appointment (803) 327-2081 for Moderna vaccines.
