

Let's Code

Fall 2023

St. Patricia School

Grades 2-8

Digital Design – Your child will have a blast designing video games and animations in this exciting STEM program. Our innovative approach to coding is sure to spark your child's interest in computer science, using a kid-friendly, intuitive, block-based programming system called Scratch, developed by the MIT Media Lab. The fun filled curriculum hones important skills related to problem solving, attention to detail, creativity, storytelling and critical thinking. Class topics include conditional statements, cloning, variables, loops, control structure, object-oriented design concepts and data structures.

Schedule: 8 Wednesdays, October 18th - December 13th, 3:05 PM - 4:05 PM

No class: 11/22

To sign up, please visit <http://www.learningmeansfun.com/signup>.

You will need to enter the course code **SPS10.18.23** to register. Please register by 10pm PST on 10/8 for the early bird price of \$132.00.

If you have difficulty registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or registration@learningmeansfun.com

All participants must conduct themselves in a manner that allows all students to fully participate during the class without impeding their experience. We have a no refund policy, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. Please be aware of this as there will be no refunds. It's the parents' responsibility to remind the children about the classes.

If schools are closed during the program session, classes will pivot to all-virtual sessions. Please be aware of this as there will be no refunds made.

Program provider has experience in virtual delivery.
