## Minister's Reflection

A few years ago, around this time of year, Sarah and I were in eastern Pennsylvania for a retreat. The Delaware Valley was in full bloom. It was a wonderful and refreshing time, after a challenging and often tumultuous year. One afternoon, we took a short walk to see the Raymondskill Falls, near the small town of Milton. We hiked down to the spot where the falls empty into a pool, before its final plunge to the creek below.

I have a great fondness for waterfalls, for the plunging water and the torrent of foam and spray thrown up by watching crashing into rocks. I recall on that particular day, as we watched the water flow down the rocks that waterfalls are kind of an apt metaphor for the life of the church. The fierce energy expelled in falling water is so like the church in some ways. Like the water crashing down, we seek to pour out our energy, our excitement, our faith and commitment in the service of the gospel. Imagine, perhaps, the work of putting together the Christmas Pageant, of channeling wild, exuberant energy into that glorious hour in which we see and hear the story of the Nativity through the voices of our children.

Seeing the water pour down, it struck me that there is a lesson in patience there as well. All that force and power and caution can be seductive. The rocks can seem unchanged, unmoved by the water passing over them. But it's not so, of course. The rocks and boulders *are* moved, are continually moved, and shaped by the course of the water. Each generation of water that passes over the stone leaves its own small mark.

Every generation of the church leaves its own mark. We are never the first 'water' to pass over the rocks and we will not be last. For us, for the church, for life itself, change is constant. Sometimes it comes in our time, it flows out from our passion and our enthusiasm; but more often it proceeds at a pace ancient and deliberate. It comes in God's time. We can foam and fulminate, crash and roar, but the rocks more often respond to gentle pressure, to the constant, durable flow of the water, not to its force.

At the bottom of the Raymondskill Falls, the water spreads out in a small pool. Its energy spent for a moment, it grows stiller and calmer, as if reflecting upon where it has come from before gathering itself again to move back into the current, to find its new direction.

The quiet pool calls to mind the slower pace of summer, the time to collect and renew ourselves. The longer days of summer invite exploration. It is a time for the church to take honest stock of where we have been, and to plan for how best we move forward, how best we follow the current of God's leading.

I wish you all a joyful, restful, restorative summer ... a season of renewal and recreation, a season that re-energizes us all for the new life for which God is always preparing us.

Peace,

Todd

### **KYRIE CONCERT RECAP**

On Saturday, May 21st, over 100 people came into the sanctuary to experience *Kyrie: A Musical Vigil for Peace to Benefit Ukraine* with mezzo-soprano Karolina Wojteczko, organist Julian Revie, violinist Yevgenia Strenger and violist Sander Strenger. It was a stunning program featuring many moving pieces including a 15th-century Ukrainian Orthodox chant, a Plainchant arranged by Julian Revie, and other works. Donations to help orphans and refugees in Ukraine were gratefully received and went to the Center of St. Martin in Fastow, Ukraine; the United Ukraine Relief Committee; and the Province of St. Anthony and St. Jakob Strzemie of the Order of Friars Minor Conventual. Remarkably, over \$12,000 were collected—a staggeringly generous amount.

Thanks to all those who helped with this event, especially Susanne Kos who did so much to welcome the performers to the church and make them feel at home. It was an unforgettable evening.

### **MUSIC SUNDAY: MAY 29th**

Every year, at the tail end of May or the beginning of June, we have a “Music Sunday” to celebrate and affirm the musical life of the church. The Spirit Choir will sing the uplifting spiritual *Every Time I Feel the Spirit*, and the Adult Choir will sing—with congregational participation—an arrangement of the familiar hymn *When in Our Music God is Glorified* accompanied by organ, trumpet, trombone, and timpani. Pianist Fred Scholl will also be playing part of a sonata by Baroque composer Domenico Scarlatti. Other special hymns will be presented before the Adult Choir sings *The Lord Bless You and Keep You*, a benediction response by Peter Lutkin. It will be a beautiful service!

### **SUMMER MUSIC INVITATION**

As we transition to having our worship services outdoors for the months of July and August, I'd like to invite anyone who has an interest in singing or playing an instrument to share their gifts for Sunday worship! If you would like to participate musically but don't really know what to do, I would love to help you and work with you. Please contact me at [nbayreuther@fccmadison.org](mailto:nbayreuther@fccmadison.org), and we can talk about the possibilities!

### Mission Trip News

This year, 37 of us (26 youth and 11 adults) are heading to Man, WV to serve with Appalachia Service Project for a week. We will be working on houses in disrepair, helping to make them warmer, safer, and drier. It's a big endeavor, and we are happily amazed at our growth from last summer, when 9 people went on the trip. Even if you are not able come on the trip, you can be a part of it, by donating to help make it happen, praying for us and the homeowners we will work with, purchasing coffee at coffee hour from the youth, and offering your encouragement and support. Thank you!
