Announcements & Events

Year-End Statements

2019 contribution statements were sent electronically as we did this past year. A link to your year-end contribution statement allows you to download and print your statement. This is done through the secured system we have adopted with our church management software. Security measures are considered so only the contributor can access the statement associated with the link. There is a 6-month access period before the link expires. For additional information about the security and privacy of this process, input the link below from ACS Technologies: <https://legal.acst.com/data-security-measures>

If you prefer to receive a mailed hard copy of your statement, you may reach out to our Financial Secretary, Maria Martinez at 421-8104, mariam@ipsav.org or Josh Espinosa at 421-8111, josh@ipsav.org.

Learn To Use REALM

What is REALM? How do I change how I receive notifications? How do I upload a new photo for the directory? How do I use REALM? Are these questions you are asking since the release of REALM? Josh Espinosa will be providing another opportunity on Sunday, February 23, at 4:00 p.m., to learn about REALM, IPC's newest communication and directory tool. This training opportunity will be held in the Telfair Hall.
