## MEALS FOR NEW MOMS

With all the changes in the world today, many things remain the same at IPC. One of the most joyful is the growth of our membership with additions to our nursery. In 2020-21, we anticipate 20 new babies to be added to our congregation. How can you help serve these families? A great way would be purchase and deliver a meal to our tired and weary new parents. At this time we are asking that already prepared meals be purchased from a takeout shop, grocery store or restaurant, which will be following proper food preparation guidelines. Families should anticipate three meals to be delivered to them in the weeks following the birth of a new baby. If you would like to be added to our meal delivery list, please contact Allison Kelly (WOC Circle of 6 Member), 912-604-3362.

## ELECTRONIC FRIENDSHIP CARD

During this time of the pandemic, one item we have missed is receiving your prayer requests on the Friendship Card as well as an opportunity for visitors to our worship services to share with us of their visit. You will now find around the campus and on publications a strange looking image (see left), though becoming more familiar these days. It is called a QR CODE. From a smartphone or tablet: **open your camera app, aim at the QR CODE** and your web browser should open up to an electronic form providing you an opportunity to share prayer requests or for visitors to share with us of their visit or request information. If you wish to give it a try, please do so and leave us a prayer request. You can also use this link (<https://ipcs.ga/friendship>) to access this same electronic form.
