PANDEMIC UPDATE 1 and 2

1. **Youth Ministry** has resumed youth group meetings on **Wednesdays** (beginning Sept. 2) for both **middle and high school** separately from 6:45-8:00 (following Youth Choir rehearsal which begins at 5:45PM). No meal will be served for those youth not participating in choir. The MS/HS youth groups will resume eating dinner together in Telfair Hall on Sunday evenings after the PM worship service (beginning Sept. 13) and will then go to an activity time from 7:05-7:45PM in separate groups (MS and HS). On **Sundays**, activities will resume this week following the evening service. Students, get your meal, go up the “back” stairwell to Telfair Hall and eat together then we will go to High School group and Middle School group.
2. The **college ministry** will meet for Bible study through the fall (until Thanksgiving week) on Monday nights beginning on August 31 in the Wilson-Axon parlor AND **Sunday Lunches** resume each week after the 11:00AM service in the Carriage House.
3. As for the **music ministry**, Youth Choir rehearsals will be held on Wednesdays, 5:45-6:40PM (beginning September 2). Chapel Choir will resume meeting this Sunday from 7:00-7:45PM. The Handbell Choir will resume in late September (rehearsal time to be announced).
4. The **Garner Bible Study** will resume (via ZOOM) on September 15 from 7:00-8:00 PM.
5. The WOC Bible study resumes on Tuesdays at 10:00 for in-person and Zoom AND will be offering an evening study on Wednesdays at 6:40 in Telfair Hall. Contact Linda Depue for more information.
6. **As for masks**, though we are not requiring masks to be worn within our facilities, when you exit our building and are in public space, the City of Savannah Executive Order and Chatham County's Executive Order now require a face mask/covering to be worn. Our governor's encouragement is to wear your face mask or covering. Within our facilities and walking to our food service line, if you cannot maintain social distance, please respect others and wear a face mask/covering.

ELECTRONIC FRIENDSHIP CARD

During this time of the pandemic, one item we have missed is receiving your prayer requests on the Friendship Card as well as an opportunity for visitors to our worship services to share with us of their visit. You will now find around the campus and on publications a strange looking image (see left), though becoming more familiar these days. It is called a QR CODE. From a smartphone or tablet: ***open your camera app, aim at the QR CODE*** and your web browser should open up to an electronic form providing you an opportunity to share prayer requests or for visitors to share with us of their visit or request information. If you wish to give it a try, please do so and leave us a prayer request. You can also use this link (<https://ipcs.ga/friendship>) to access this same electronic form.
